A SALVATION

The good news, or the **Gospel**, is about Jesus and His message of Salvation. Salvation is a big topic, and its' simplest form, it is being rescued from judgement. There are other words like; safe, healing, restored, forgiven which are the results of Salvation. Salvation is also a gift. We cannot earn it, we can only receive Salvation through faith in what Jesus has done for us, by dying on the Cross and resurrecting from the dead. Salvation is also something we have to live out. The Apostle Paul says: "*continue to work out your salvation with fear and trembling" (Philippians 2:12).* This passage urges us not to have a flippant attitude. Likewise, as we take Communion, we are called to examine ourselves before we eat the bread and drink from the cup (1 Corinthians 11:27). This gift is free, but it is most precious and not to be squandered.

What happens If we start to doubt our Salvation? Our own minds can at times play tricks on us, or maybe we are going through a difficult patch in life. Paul makes the statement of preaching "Christ crucified", and goes on to claim this is the power and wisdom of God (1 Corinthians 1). The Cross has reminders:

1. Jesus died the gruesome death of torture on the Cross
2. It was on the Cross where he forgave us and bore our guilt and sin

continued ……..

3. Jesus exchanged His life for ours on the Cross
4. Our old self was crucified with Jesus (Romans 6:6), no longer slaves to sin……

The reminder of the Cross and the death and resurrection of Jesus Christ should the defining moments of any crisis we experience. Nothing can compare or ever match this cataclysmic historic event which continues to shape our present and future Salvation.

Romans 10

11 As Scripture says, "Anyone who believes in him will never be put to shame." 12 For there is no difference between Jew and Gentile—the same Lord is Lord of all and richly blesses all who call on him, 13 for, "Everyone who calls on the name of the Lord **will be saved**."
