Sunday Service 10am - Missions Sunday

16 September 2018

Our Purpose:

Love God, Love one another, Serve Others in the Power of the Holy Spirit

Welcome to Mt Roskill Baptist.

If you are new to the area, or visiting us today, we serve tea and coffee after the service, please join us.

OUR GUEST SPEAKER TODAY Chris Ayers - Director of Pioneers NZ

Originally a school teacher from Queensland, Australia, Chris felt called to pursue full-time ministry 18 years ago. In 2005, he and his wife Judy moved their young family to Melbourne to complete theological training. It was here they felt called to serve cross-culturally in mission and in mid-2008 they departed Australia to help with church planting in Eastern Europe. For the next 8 years, their ministry focused primarily on Bible teaching, discipling, counselling and community outreach. In this time, it was a joy for them to see a new Baptist church established in the city of Opole, Poland.

With continued growth in this ministry, Chris and Judy felt God calling them to move on. They therefore returned to Australia at the end of 2016, praying about their next steps in ministry. In mid-2017, Chris accepted the new role of Director for Pioneers NZ, and the family moved across to NZ at the beginning of this year. Judy has also joined the staff of Pioneers NZ in a part-time capacity, overseeing mobilisation and member development.

Chris and Judy have 4 children, Trinity (16), Zarah (14), Toby (12), and Boaz (10). The family would value your prayers as they continue to settle into this new season of life and ministry.

To God be the Glory.

CRÈCHE

We are at the moment in a transition period with our Crèche. We have recently moved the Crèche from downstairs to upstairs.

The reason for this:

1. We want parents to be more connected with our services and congregation in general
2. We are aware of the health & safety hazard of lugging young children and babies downstairs, so upstairs is a far safer option for our families.

Noise

At the moment we are naturally experiencing more children noise than we have in the past. Please be patient with us as we will eventually close off the area between auditorium and Crèche. We will also install new speakers in

Crèche area so parents can still hear what is happening within our services. It does require patience on our part for those seated in our auditorium and also extra vigilance on parents in the Crèche, until we get the area completed. It is a priority for us to reach the desired outcome for all parties.
